

11 Magico's Magic

Magico the Magician was famous for his disappearing act. One night he made six objects—a hat, a ring, a rabbit, a cat, a wallet, and a watch—vanish. Find out the order, first through sixth, in which the objects disappeared.

1. The watch disappeared immediately after the wallet.
2. The cat vanished after the ring but before the hat.
3. The cat was the third item that disappeared.
4. Magico made four things vanish before he got to the wallet.
5. The ring disappeared after the rabbit.
